Application Outcome:

Students will be informed of their application outcome for the TFI LEaRN Programme @ NUS by end-April or early-May through their email, by which they will need to confirm acceptance of the award within 1 week after receiving the offer.

By mid-June, the Registrar's Office will notify the students on the outcome of their Non-graduation Exchange Programme application, more specifically on their module (course) selection outcome.

As an additional note, students who are not eventually selected for the TF International LEARN Programme @ NUS will not be eligible to proceed with their application to do an exchange programme at NUS in Semester 1 with a fee waiver. These students may, however, consider to apply for *Non-Graduating Non-Exchange* which requires them to pay the [NUS tuition fees](#) for the semester that they are enrolled at NUS. Alternatively, students may be nominated by their home universities under the AUN-ACTS exchange agreement, which allows students to be nominated through the AUN-ACTS portal to come to NUS for exchange (with tuition waiver) in Semester 2 (Jan-May). However, places for the AUN-ACTS nominations are very limited and therefore very competitive.

A gentle reminder to please send your nominations by 1 April 2019. If you have any questions, please feel free to contact us at tfl.ib@nus.edu.sg.

We look forward to receiving your nomination and your students' applications.

Best regards,
TFI LEARN Programme @ NUS Team
